

Greetings from St. Ann Church in Bartlett, Tennessee!

It's that time of year again! Our *St. Ann Special Athletes Fun Day* has been offering fun and fellowship for special children and adults in the Memphis area for over 25 years.

The games are modeled after the Special Olympics and include a number of track & field events as well as events for wheelchair participants. The games are for ages 6 through adult and will be held in the football stadium at Christian Brothers High School, 5900 Walnut Grove Road, on Saturday, October 6, 2018. Registration and check-in will begin at 8:00 AM and the opening ceremonies will begin promptly at 9:00 AM. **Completed forms for pre-registration should be submitted by September 11th to reserve an event t-shirt**, but we will also accept walk-up registrations until 8:45 AM on the morning of the event. All athletes should be registered prior to the start of the opening ceremonies.

Enclosed, please find a copy of the registration & permission form. We would appreciate your assistance with spreading the word about this annual St. Ann ministry to any *special children or adults* that you may know. **Please note the policy requiring that one adult (parent or guardian) be in attendance.** This person must accompany the athlete all day. We appreciate your help with this one-to-one ratio, which is a liability issue.

We have several exceptional items planned for the athletes this year including event t-shirts, award medallions, and goody bags. Therefore, we need pre-registration forms returned to us by September 11th in order to assure that we'll have an adequate number of items for everyone.

Registration forms can be completed online at <http://stannbartlett.org/special-athletes-fun-day>. The completed forms can be mailed to *St. Ann Special Athletes Fun Day* at the address listed on the bottom of the form or FAXED to 901-373-9030.

If you have any questions, feel free to contact Nancy Gronostaj at 901-388-8623. We strive to make this a truly memorable event and appreciate any assistance you can give us.

Sincerely,

Amy Burgess
